Mr Neil Austin

26 October 2012

Aust005/1

Dear Mr Austin

Thank you for your letter of the 4<sup>th</sup> October concerning information on the London bombings that took place in July 2005.

You will appreciate that the suggestion that the government of the time allowed – or instigated – such an horrendous act of terrorism in such a cynical manner for political expediency is difficult to accept.

You clearly believe that the research would lead a rational person to this conclusion – and I am sorry that I must disappoint you as I do not arrive at that conclusion myself.

I accept that you sincerely hold to your views and I appreciate you letting me know of this, but on this I'm afraid we will need to agree to disagree.

Yours sincerely

NICK CLEGG MP
