<http://www.bloomberg.com/news/2011-07-25/bskyb-directors-face-4-2-billion-quandary.html>

Interesting quandary you bskyb dudes have. Seems it just got worse EH Jac?

Clearly you and I crossed paths bigtime before TWO IMPORTANT elections in Canada last
year and obviously News Corp and Bloomberg's pal Joel Klein's old buddies in the US
Justice Dept and the SEC etc pissed me off way back in 2002 EH?

Need I say i did not like it when and heard of corrupt cops in seven cars pounced on my son and I at 2:30 in the morning about two weeks after i received this email from you with the attached letter. Small wonder Stevey Boy Harper stopped the BHP take over bid of Potash when he could not get th RCMP to shut me up EH?

BTW the pdf file hereto attached that should refresh Siskind's and Jacobs memories can be found here as well the letter you sent to me last September

<http://www.scribd.com/doc/60818237/FCC-News-Corp>

Although my contempt towards greedy publicly held companies is well known my desire to expose corrupt law enforcement people is far higher on my list of offensive things. If old Rupert were wise and his son is clever perhaps they should have somebody finally call me back ASAP.

Perhaps Ruper Murdoch can figure how to deal with an honest man ethically for the benefit of many shareholders and the chagrin of the SEC and Barack Obama EH?

News Corp has the media and I have the evidence. Why not pretend I am Monte Hall and lets make a deal for the benefit of all. Try leaving the dark side and ignoring your crooked lawyers for a change. What say you Rupert? Dickens wrote books about such things.

First and foremost do you see Eliot Spitzer testified on the very day he thanked me for the info? I ask again where did the transcripts and webcasts go not long after I made the congressman Ron Paul and legions of others well aware of their existence as he bitched about such things while running for the GOP endorsement to run for president in 2007? For the PUBLIC Record the records of the hearings were deleted in late fall 2007 just as all the subprime mortgages began to smell bad.

I called and tried to talk to David Boeri because of what he said recently within this video and what he wrote about Whitey na the Feds over the years

FYI After I called a lot of parliamentarians, the RCMP and the FBI I noticed this hit on a blog about me this morning. I have no doubt the following emails is what they were reading so I called Fred Wyshak and read him the riot act once again byway of his voicemail within the US Attorney's Office and then called the WBUR newsroom

Some of the documents within this file are signed by your boss the US Attorney Michael Sullivan and it was me he was trying to argue about a great deal of money as he covered up for the actions of corrupt US Treasury Agents Correct?

<http://www.scribd.com/doc/2619437/CROSS-BORDER->

And this is a true copy of one of many American Police surveillance wiretap tapes that I have in my possession many law enforcement authorities in Canada and the USA have received and acknowledged Correct?

<http://www.archive.org/details/PoliceSurveillanceWiretapTape139>

Who the Hell do you think chucked them in the garbage in Boston many years ago? Here is your clue.

http://www.boston.com/news/local/massachusetts/articles/2008/09/16/connolly_portrayed_as_corrupt_agent/?page=full

Furthermore Didn't Connolly tell the bartender's daughter Whitey Bulger buried some of his victims just outside Yarmouth in the crooked politician Robert Thibault's riding in Nova Scotia?

Must I sue you too Fred???

My concerns are far from confidential never mind what I know about BANKERS and the US Treasury Dept etc

MURDER is a capital crime CORRECT? Connolly the ex FBI Agent's long delayed trial started today and I am the guy with the wiretap tapes that he threw out long ago. Why the Hell do you think I took such a chance with the corrupt RCMP last week and recorded me serving a copy of one wiretap tape upon them in Youtube before your boss Stevey Boy Harper had his buddy the Governor General drop the writ?

Scroll down you will see that I am no liar. I posted this email there as well.
