		Ken - thanks for the birthday message... hope you are well. I just found out the Fetzer and Barrett are scheduled on TPV with a 30 min slot.
24/11/2013 23:16	Andrew Johnson	"Hmmmmm....." is all I can say... http://www.thepeoplesvoice.tv/schedule/2013-11-27
24/11/2013 23:21	Ken O'Keefe	Brother you are going to be on and so will Judy, understand that most are not going to take sides, they will not cut out anybody because they are in the wrong camp and they do not see these people as bad.
24/11/2013 23:21	Ken O'Keefe	You should know that deep down
24/11/2013 23:21	Ken O'Keefe	You are close to it all but others are not so polarised
24/11/2013 23:22	Ken O'Keefe	Anyway, I cannot wait to have you one Brother this is true but simply because you or I come into the light of more truth does not mean that everyone else should see it in tandem. Have compassion for the people with good hearts who not yet aware of the truth that you or I hold. Factionalism/division is an enemy of truth and justice, have the wisdom to be patient where possible and compassionate always. This is my perspective and I just do not like being pulled into one camp or another even when one sees a truth more clearly. These other people see the inside job, as yet they just do not see the method used... have faith, they will.
25/11/2013 09:16	Ken O'Keefe	Ken, I agree - I have been dealing with this for almost 6 years (non stop). Some people are not ready to see it. However, I pointed out Fetzer and Barrett *specifically* (and Fetzer even more) because they are actively suppressing what happened on 9/11 and working to PREVENT people from understanding it - rather than letting them come to terms with it on their own (as I want to do). Can you see the difference?
25/11/2013 09:18	Andrew Johnson	I do, and I have the same concern you do, but I feel confident that all will be exposed in the not too distant future. And we will help make that happen.
25/11/2013 09:19	Ken O'Keefe	OK - thanks again - that's all I meant really - I am happy for to come to terms with it in their own way (or not) - but not to join and support the ongoing lies - that's the difference... We can work something out whenever you're ready.
25/11/2013 09:21	Andrew Johnson	
25/11/2013 09:21	Andrew Johnson	Thanks!
25/11/2013 09:21	Ken O'Keefe	Thank you brother.
25/11/2013 09:22	Ken O'Keefe	Really, I am so happy we had that time together on the train.
25/11/2013 09:23	Andrew Johnson	Me too!
25/11/2013 16:51	Ken O'Keefe	Aloha brother, Have you seen this video, I have somebody who is not worth mentioning really, but they put this video to me and I simply do not have the time to look at it. They put this my way to prove Dr. Judy has no evidence of anything, which of course i know is beyond rubbish; but I am curious to know if you have seen this (again I have not) and if you have an opinion of it?
25/11/2013 16:53	Ken O'Keefe	
26/11/2013 17:22	Ken O'Keefe	Sorry here is the video http://www.youtube.com/watch?v=_qYm1AnUKi8
26/11/2013 17:22	Ken O'Keefe	
26/11/2013 17:31	Ken O'Keefe	Aloha brother, you still there? That video is, as it says, from 2007 - I wrote about it in this article: http://www.checktheevidence.co.uk/cms/index.php?option=com_content&task=view&id=46&Itemid=60
26/11/2013 17:36	Andrew Johnson	Summary: Jenkins focuses on 1 or 2 pieces of evidence, mischaracterises what is shown, using a black and white picture and makes a number of false and inaccurate statements. He wrote 2 or 3 articles "debunking" Wood
26/11/2013 17:37	Andrew Johnson	

and has never been seen or heard of since (i.e. in the last 6 years or so)

It is offered by dishonest people as some kind of proof that Wood is wrong.

Here's a video I made analysing the Jenkins video: http://www.youtube.com/watch?v=izpuwfc_Hig
